Dear Jonathan,

**Re: Waste Diversion Ontario's review of Ontario Electronic Stewardship's Proposed Steward Fees**

On March 11, 2013 Waste Diversion Ontario (WDO) visited the offices of Ontario Electronic Stewardship (OES) to review a proposed set of revised steward fees to come into effect on May 1, 2013.

By way of this letter WDO confirms that it has reviewed OES' application of the fee setting methodology as prescribed in the WEEE Program Plan Amendment dated February 19, 2013 and OES' May 1, 2013 'Rules for Stewards' to calculate Steward Fees. It further confirms that the steward fees have been set in accordance with the fee setting methodology and the 'Rules for Stewards'.
